

Reichmann
Engineering

Please fill in the form and send the request to Reichmann Engineering. Reichmann Engineering or the respective distributor will come back to you with a firm offer. This form is valid until March 8th 2013. In case a pre-payment is preferred, this would have to be transferred before March 15th. This close time schedule is necessary to grant a delivery of your frame in time..

The contract is only valid after acceptance by Reichmann Engineering.
Some details concerning the execution of your frame might involve surcharge. After submitting this order request to Reichmann Engineering, a firm offer will be created.

The basic price of a standard RIP frame including a Marzocchi Roco World Cup Shock is at 2899 Euros incl 19% VAT.

In case a down-payment is done, Reichmann engineering offers you very attractive discount conditions:

pre-cash 500,- Euro upon preorder = 377,- Euro discount ***
pre-cash 1000,- Euro upon preorder = 618,- Euro discount ***
